

1800

Medium Light

PeliLite™

This one is built to last. The unbreakable ABS body resists chemicals, water and corrosion. The polycarbonate lens and focused Xenon lamp module produce a tight white beam that penetrates smoke and fog. The PeliLite flashlight is submersible, thanks to the o-ring seal and twist-on shroud that eliminates leaky switches. It is powered by 2 C alkaline cells.

- Built Pelican tough
- Unconditional Lifetime Guarantee of Excellence
- Submersible
- Super bright Xenon beam
