

1820

Medium Light

Pocket Sabre™

The Pocket Sabre™ 1820 flashlight descended from Pelican's famous SabreLite™ 2000. Built to last, the unbreakable ABS body resists chemicals, water and corrosion. The polycarbonate lens and focused Xenon lamp module produce a tight white beam that penetrates any hazardous condition. All these features and safety approvals, too. It comes with a twist-on shroud, is submersible, and powered by 2 C alkaline cells.

- Built Pelican tough
- Unconditional Lifetime Guarantee of Excellence
- Submersible
- Super bright Xenon beam
