

## 2380R

### Tactical Flashlight

The Pelican 2380R is a brand new flashlight that brings the latest and greatest technology together into one product. By incorporating "Slide-Beam technology" (spot to flood), USB rechargeability, full time battery level indication, high performance LED, multiple modes and compact design are only some of the reasons we feel you'll agree that this is a fantastic new flashlight.

The 2380R offers three modes: High/Strobe/Low. The ability to achieve over 300 lumens on high mode with a 3 hours 30 minute run time as well as 30 lumens on low mode for up to 25 hours is a testament to its versatility. The spot to flood beams are achieved instantly with the use of the patented reflector design. A single indicator LED is utilized for continuous monitoring of the battery level as well as monitoring the charge status.

The 2380R possesses the ability to transition from rechargeable to disposable formats. A Micro-USB charge cord is included for recharging through its sealed door. Also included is a battery canister that allows for use with two CR-123 disposable lithium batteries.

A removable pocket clip is included in support of its compact design as well.

#### CONFIGURATIONS

2380R - Standard

#### DIMENSIONS

Length: 6.48"

#### MATERIALS

**Body:** Aluminum with Type II Anodized

**O-Ring:** EPDM

**Lens:** Polycarbonate (PC)

**Shroud:** Aluminum with Type II Anodized

**Clip:** High Carbon Steel

#### COLORS

Black

## LIGHT SPECS

Lamp Type: LED

FL1 STANDARD	HIGH	LOW
	305 LUMENS	30 LUMENS
	3h 30mins	25h 0mins
	159m	50m
	6317cd	613cd
	IPX7	

## POWER

Battery Size: 18650

Battery Type: Lithium-Ion

Battery Quantity: 1

Batteries Included: yes

Charge Time: 360.00 mins

Battery Level Indicator: RGB LED

Volts: 3.7v

## WEIGHT

Weight With Batteries: 6.6 oz

Weight Without Batteries: 4.9 oz

## SWITCH

**Switch Type:** Push Button / Momentary Tail Button

**Light Modes:** High / Strobe / Low

## OTHER

**Minimum Pack:** 6
