Description

The 12 Gauge Industrial Cabinet is our most popular and versatile heavy-duty industrial storage cabinet. These cabinets include 14 gauge steel shelves (21.5 inches deep) with up to 1,900 lb. capacity per shelf, which can be adjusted in 2-inch increments. Additional shelving may be added for versatility.

Constructed from high quality 12 gauge premium steel, the all-welded, wrap around body of these cabinets will stand the test of time and secure your valuable assets. The integrated 3-point locking device includes a hasp built into the handle for use with a standard padlock. You can also customize access security with one of our premium locking mechanisms, including a digital keypad, keycard, barrel lock, and more.

The Industrial Cabinet is backed by a limited 99-year warranty. No other cabinet compares when put to the test of the strongest industrial storage solutions available. The Industrial Cabinet ships fully assembled and ready for use.
